Falcon Orthodontic Instruments®
Our Falcon orthodontic instruments are hand crafted using the finest grade surgical stainless steel and have a long-lasting buffed, polished finish. Pliers and cutters feature factory adjusted sliding lock joints, diamond honed cutting edges, and stainless steel inserts for long lasting tip alignment and a clean wire cut every time.
See pages 182-187

Resilience® Bonding Supplies
The light-activated and primer-activated systems provide the optimum properties for bonding ceramic, metal, or plastic brackets to teeth. The composite adhesive has ideal viscosity which delivers predictable handling characteristics that eliminate bracket flotation and allow for easy flash removal. Produces a quick setting, strong mechanical bond which debonds easily. Contains fluoride to help protect against potential decalcification.
See pages 111-115

Galaxy™ Diamond Discs
Interproximal Reduction
Diamond Discs are perfect for both reduction and contouring. Smoothly remove tooth mass interproximally to create intra-arch space or open contact points between teeth. Great for use with many popular clear aligner systems.
Discs are available in 22.0 mm or 19.0 mm when space is limited.
See page 151

DuraLock® PLUS Impression Trays
Using DuraLock PLUS trays save time. By eliminating the extra steps of coating the tray with adhesive and waiting for it to dry, the impression process is simplified and accelerated. DuraLock PLUS trays also eliminate inadequate coverage and/or tissue impingement and ensure an accurate fit every time by offering more size choices than competing trays. Reliable strength and stability are the trademarks of DuraLock PLUS.

Over 25 Years of Excellence

Innovations in Aesthetics
Ortho Technology not only offers several aesthetic bracket lines but takes aesthetic treatment to the next level by offering an extensive selection of Tooth Tone® coated archwires, ties, springs, and attachments.

Unique and Exclusive Products
Ortho Technology takes pride in offering a multitude of unique and exclusive products. We are constantly researching, developing, and improving our products to ensure the most innovative and highest quality products are available.

Product Line Variety and Completion
Ortho Technology offers all products necessary to complete any patient treatment. From first impressions to debonding pliers and burs as well as patient hygiene accessories, we offer a thorough selection of products.

Superior Customer Service
Ortho Technology strives to provide complete customer satisfaction with every interaction. By doing this, our goal is to ensure a long-lasting and trusted relationship with every customer.

Competitive, Honest Pricing
The goal of Ortho Technology’s pricing structure is to supply quality products at a fair price. We understand that a fair product price is just as important as the product itself.

Same Day Shipment
Most orders ship the same day you place your order. You can have your products as soon as the next business day. Place your order before 2:00 P.M. E.S.T. and request overnight shipping. Otherwise we will ship your order via common carrier.

Hassle-Free Returns
We understand that your purchase may not always meet your needs. In an effort to make the return process as hassle-free as possible, we ask that you please call us. Your satisfaction is very important to us, and your input helps us improve our products and service. When you call, a return authorization number will be assigned. This number will help expedite your exchange, credit, or refund.
