Class II/III Bite Corrector Device

TruEase™
Anchor Wire

TruEase™
Double Lock

- **No Reactivation Needed**
"Out-of-the-box" installation in one appointment, and continuous forces until removal
- **More Comfortable than Open-Spring Correctors**
The fully enclosed spring is more hygienic and has no exposed mechanisms to impinge soft tissue

- **Simpler Inventory**
Only two sizes to choose from per style - the universal design fits both sides of the mouth
- **Also Treats Class III**
Both Double Lock and Anchor Wire appliances can attach to either arch for Class II or III treatment

Eliminates Bands & Headgear Tubes

"The TruEase Double Lock version attaches directly onto orthodontic archwires without the necessity of laboratory work, and allows lateral mandibular movements."
