

Are YOU overpaying for outdated brackets?

Many metal brackets by big-name industry brands were designed over 25 years ago. Pinnacle improves on the many flaws of these outdated and yet still expensive brackets.

- Intelligent Hook Design
- Permanent Identification System
- Rounded Archwire Slot Contours
- Optimized Compound Contour Base
- Cross Scribe Lines
- Micro-Etched Pylon Base Design

Proven Modern Design
Thousands of cases benefiting from improved slot precision, reduced friction, and enhanced patient comfort.

Made in the USA
As the manufacturer, we are able to offer you value prices and unmatched quality.

COMPARE TO
MINI MASTER™ by American Orthodontics

Revolutionary Strength and Consistency in a One-Piece Bracket

- Low profile smooth facial contours for increased patient comfort
- Patented raised horizontal line on the bracket base for optimal placement
- Unique vertical and horizontal scribe lines in the center of the bracket
- Micro-etched pylon base design
- Compound contour base for correct tooth positioning
- Anti-Rotation in the archwire slot to prevent unwanted rotation during sliding mechanics*

Available in the Most Popular Prescriptions
Single patient kits and individual brackets
Slot sizes: .018" and .022"
