

Are YOU overpaying for outdated brackets?

Most metal brackets by big-name brands were designed 15+ years ago. Pinnacle improves on the many flaws of these outdated and yet still expensive brackets.

• Proven Modern Design

Thousands of cases benefiting from improved slot precision, reduced friction, and enhanced patient comfort.

• Made in the USA

As the manufacturer, we are able to offer you value prices and unmatched quality.

COMPARE TO
MINI MASTER™ by American Orthodontics

Revolutionary Strength and Consistency in a One-Piece Bracket

- Low profile smooth facial contours for increased patient comfort
- Unique vertical and horizontal scribe lines in the center of the bracket
- Compound contour base for correct tooth positioning
- Patented raised horizontal line on the bracket base for optimal placement
- Micro-etched pylon base design
- Anti-Rotation in the archwire slot to prevent unwanted rotation during sliding mechanics*

Available in the Most Popular Prescriptions

Gold Lingual Retainer Chain

Perfect for Nickel-Sensitive Patients!

Used as a lingual support for retaining tooth position and alignment following orthodontic treatment, the Gold Lingual Retainer Chain is ideal for nickel-sensitive patients. Chain links can be easily formed to the lingual arch and bonded in-office for efficient retention.
